For the curious artist ready to take the next step!

Art Explorers is a 75-minute mixed media class that challenges older kids to think creatively, work independently, and dive into more advanced artistic techniques. Students will explore drawing, painting, printmaking, collage, and sculpture while learning about composition, color theory, and artistic styles from around the world.

- ✦ Longer class time for deeper projects
- ✦ Emphasis on technique, creativity, and expression
- ✦ Encourages individuality, experimentation, and artistic growth

Art Lab - \$375.00

Ages 13-18 | 90 Minutes | All Supplies Included

Unlock your creativity and build a strong foundation in the visual arts! In this engaging, hands-on class, students will explore the fundamentals of drawing, painting, and mixed media while learning essential techniques such as shading, perspective, color theory, and composition. Beyond technical skills, students will dive into the creative process—learning how to brainstorm, develop ideas, and express themselves through original artwork. Whether you're just starting your artistic journey or looking to strengthen your skills, this class provides a supportive space to grow as a confident and imaginative artist.
